REVOLUTIONIZING THE WAY YOU GREASE!

- **Quick connect & disconnect** – in one simple click, your grease coupler locks onto your grease nipple
- **Clean** – no more wasted grease thanks to the exclusive ball lock system
- **Strong** – you pay for what you get, precision machined parts to make these the most durable coupler available
- **Compact** – not much bigger than a standard coupler, making it very easy to get to those difficult to access grease nipples

RELIEVE THE PRESSURE IN YOUR LINE TO ALLOW AN EASIER CONNECTION with the Grease Gun Relief Valve
